

A little note

FOR YOU

A-HOY!

this here is your very own
NATURE EXPLORER'S LOG BOOK

Staple the sheets together, find some
trees and then you're ready.

Get out the crayons, paint, pens
and pencils and

DO YOUR WORST!

Colour it in from top to bottom.

When you're done - find some more trees,

print & make another book and

DO IT ALL AGAIN!

hope you like it

YEAH!
KEEP
OUT!

this is the nature explorer's log book of... unless

you have been invited

keep your big NO!

please

THE TREES I SAW WERE ...

Draw branches to the words that describe the trees you saw

| | | |
|--------------|---------------------------------|-----------------|
| Beautiful | So tall i couldn't see the tops | Full of leaves |
| chopped down | Mossy | Full of gumnuts |
| Rough | creaking | scary |
| | | swaying |
| | | Bare |
| | wide | old |
| | For birds to nest | |

WHAT SHAPES OF LEAF DID YOU SEE?

Draw them onto this branch

The best things I ...

saw

touched

heard

smelt

Here are some frames.

You could ...

write poems in them,

draw pictures in them.

or

stick leaves and other

treasures from nature in them.

What else could you do with them?
